

Travel Labor | Program Highlights

Rapid Deployment

250+ Experienced Contractors can be deployed and onsite within 72 hours

Economical Travel Rates

We partner with a travel agency that leverages their market presence to get us the most aggressive pricing possible on hotels, so that this can be passed along to the partner.

No Min or Max hours

Travel team members will work as many hours or as few hours required by the project.

Performance

Pay for Performance Models (3PL customers experienced an increase of up to 20% in productivity improvements.)

Poor performers are removed and replaced at no additional flight cost to our customer

No Penalties

Length of project can be extended or shortened with no penalties

Flexible Pricing Models

Production Pay, Hourly Bill rates and a markup %

Other companies charge massive markups for travel services. We only charge 3% admin fee.

Travel Labor Solutions

Service Offerings

Temporary labor solutions for startups, providing flexible workforce solutions tailored to the specific needs and challenges of new ventures.

Engaging in travel commitments spanning 6-8 weeks significantly reduces weekend travel expenses and enhances on-site productivity.

Offering temporary-to-permanent hire options, providing a flexible pathway for individuals to transition from temporary roles to permanent positions within the organization.

Providing peak labor support to meet increased demand during specific periods of heightened activity or demand.

Delivering disaster recovery support to assist organizations in restoring and resuming critical operations following unforeseen events or crises.

Highlights

6 to 8 week travel commitments eliminate weekend travel costs and improves productivity

Temporary to Permanent Hire Options
